PERSONAL STATEMENT

Innovative and results-driven Frontend Developer, dedicated to advancing web development within forward-thinking and collaborative ecosystems. Seeking opportunities to apply expertise in React.js, Next.js, Vue.js, Nuxt.js, and cutting-edge technologies like blockchain to craft compelling and user-centric experiences for leading technology enterprises.

WORK HISTORY

Frontend Developer, Ewebcore Technologies Pvt Ltd, MUMBAI

July 2021 - August 2022

- **E-Commerce Site:** Architected and built core functionalities, integrating Rapid API, implementing Redux for state management, and utilizing Tailwind CSS for a visually appealing and seamless user experience, leading to a 20% increase in conversion rates.
- Successfully migrated two legacy applications to Vue.js, increasing performance by 30% and simplifying maintainability.
- Conducted comprehensive code review and implemented necessary fixes, resulting in a 40% reduction in customer support issues and enhanced overall user experience.

EDUCATION

- **Adv Master of Computer Science**
University of Essex, COLCHESTER **Oct 2022 - Oct 2023**
- **Bachelor of Computer Engineering**
Mumbai University, MUMBAI **July 2018 - May 2021**
- **Diploma in Computer Science**
Anjuman Islam Abdul Razzaq, MUMBAI **July 2015 - May 2018**

PROJECTS

- **Blockchain-Based Data Sharing App:** Leveraged Ethereum blockchain and Pinata/IPFS for secure and decentralized data storage, utilizing MongoDB for efficient search functionality and React for a user-friendly interface.
Git hub – [https://github.com/khantawheed/blockchain_project]
- **Music App:** Developed an interactive music app with real-time data integration and dynamic user experience, utilizing React and Tailwind CSS.
Git hub - [<https://github.com/khantawheed/musicapp2>]
- **E-commerce Website:** Designed and built a feature-rich e-commerce website utilizing React, Tailwind CSS, and Redux for efficient state management. Integrated Rapid API for product listings and streamlined shopping cart checkout with secure payment processing.
